Dear Bill

Thanks for your letter which Pat passed on to me - sorry to have been slow replying.

The universal card routine I showed is not mine - it is Bro. Hamman's, so it is he you should contact. I added nothing, I did it just as he did it at Monte Carlo.

I have since learned that the original move is ~~Karl~~ (the double deal from the middle) is Karl Fuhs'.

I am now in Los Angeles, staying with Charlie Miller - mingling with the greats! Having a wonderful time

Best wishes,
Alex
